

EDUARDO RODITI

Lugar y Fecha de nacimiento: CDMX, México 09/03/1991 Dirección: Av. Jesus del Monte #44 A805, Col. Green House, Huixquilucan Estado de México. Tel +525530447148 Correo electrónico: eduardoroditi@hotmail.com Estado civil: Casado Idiomas: Español, Inglés, Hebreo.

FORMACIÓN Y ACTIVIDAD LABORAL

- 01/8/23 – Presente Consulta Privada Oftalmológica en Torre InSitu, ABC Santa fe Av. Vasco de Quiroga 4001 asi como en Active Vision Center, Palmas 820, CDMX.
- 01/08/23 – Presente Profesor de Oftalmología, Fisiología General y Terapéutica Quirúrgica en Universidad Anáhuac México Norte.
- 17/2/22-30/6/2023 Fellow de retina quirúrgica en Westmead- Western Sydney Eye Hospital Australia.
- 2/2/2021-12/31/2021 Fellow de retina médica y quirúrgica en Shaare Zedek Medical Center, Hebrew University Hadassah Medical School. Jerusalén, Israel.
- 1/2/2018- 31/1/2021 Residencia de oftalmología en Shaare Zedek Medical Center, afiliado a Hebrew University Hadassah Medical School. Jerusalén, Israel.
- 1/5/2017-1/1/2018 Pasantía en consulta privada servicio de oftalmología Hospital Ángeles Interlomas, Estado de México, México.
- 1/2/2016-31/1/2017 Servicio Social plaza A San Cristóbal, Texcalucan, Estado de México.
- 1/1/2015-31/12/2015 Internado de pregrado Internacional Soroka Medical Center Israel, programa afiliado con la universidad de Colombia, USA. INPER (Ginecología), México. Hospital Pediátrico de Legaria (Pediatria), México.
- 1/8/2010-31/12/2015 Licenciatura de Médico cirujano con beca de excelencia académica. Universidad Anáhuac México Norte, México City, México. Mención honorífica.

CURSOS Y EXAMENES

- 2023 Basic Life Support Training.
- 2023-Presente Miembro del Consejo Mexicano de Oftalmología
- 2021 Exámen International Council of Ophthalmology. 1) Visual Sciences, (Mérito honorífico) 2) Optics, Refraction and Instruments 3) Clinical Sciences. Aprobados.
- 2018 Good Clinical Practice curso y examen aprobado.
- 2015 Advanced Trauma Life Support Course.
- 2014 and 2015 Desarrollo personal y Liderazgo por NeerLeElef International.
- 2014 "Leadership Professional Training" por Ario Higareda director y fundador de DUNAMIAS.
- 2009-2011 Miembro y ponente de "GAMP Coaj" Grupo Paramedico.
- 2009 International Leadership and Conflict Solving Program "PeaceMakers".
- 2009 Curso en Technion Weizmann Institute of Technology Haifa Il Basics of Biotechnology and Medical Sciences.

Actividad Académica: Premios, presentaciones y publicaciones

- 2025 Presentación en salon plenario en la reunion anual de la Asociacion Mexicana de Retina 2025 en Monterrey, México.
- 2024 Video quirúrgico publicado en CataractCoach.com "2075: scleral fixated IOL & iris cerclage"
- 2024 Externship Sponsored by the International Society of Refractive Surgery /American Academy Ophthalmology with Prof. Burkhard Dick in Bochum, Germany.

- 2022-2024 Media Editor for www.vrsrugeryonline.com The online Vitreoretinal Surgery Book.
- 2022 Free-Paper 10-min presentation at World Ophthalmology Congress 2022 "Retinal displacement on fundus autofluorescence Imaging: Only the tip of the iceberg"
- 2022 Poster presentation at the New South Wales RANZCO (Royal Australian New Zealand College of Ophthalmologist) & Ophthalmology Updates!
- 2022 Research Travel Grant from Westmead Hospital and University of Sydney.
- 2022 **First Prize Award** at the 40th ASCRS (American Society of Cataract and Refractive Surgery) Film Festival Video Competition with the video "The First One Hundred Capsulorhexes" In-House Production Category, Washington D.C. 2022.
- 2022 Poster "Topical Timolol 0.25% to Enhance Preoperative Reference Vessels Image in Digitally Assisted Intraoperative Axis Alignment for Toric IOL" ASCRS (American Society of Cataract and Refractive Surgery) Washington D.C. 2022.
- 2022 **First Prize Award** Fellow Poster at the Vit-Buckle society Las Vegas 2022 "Retinal displacement on fundus autofluorescence Imaging: Only the tip of the iceberg"
- 2022 **First Prize Award** Abstract Grant competition "A novel method to assess retinal displacement after retinal detachment repair using overlay of pre and post operative imaging" in the Third Shaare Zedek Medical Center Research Congress.
- 2021 **First Prize Award** at the Video Competition Resident in Training Category at the European Society of Cataract and Refractive Surgery (ESCRS) 2021 Amsterdam Meeting.
- 2021 E-Poster "Endophthalmitis associated with flange exposure after a 4-flanged Canabrava fixation technique" at ESCRS Amsterdam 2021.
- 2021 Article Presentation at the 9th annual meeting of the Israeli Ophthalmology Society "Ocular Findings in Infantile Nephropathic Cystinosis"
- 2021 Case presentation as Video Poster at the Inaugural American Society of Ophthalmic Trauma Annual Meeting "Cataract Induced by Eyelid Cosmetic Treatment with Intense Focused Ultrasound"
- 2020 Virtual Case presentation "Cataract Induced by Eyelid Cosmetic Treatment with Intense Focused Ultrasound: A Case Report" at the European Society of Cataract and Refractive Surgery (ESCRS).
- 2020 Case Presentation "Visual Snow Syndrome" at the Israeli Ophthalmology Society rounds (260 attendees).
- 2020 E-Poster "Cataract Induced by Eyelid Cosmetic Treatment with Intense Focused Ultrasound: A Case Report" at the American Society of Cataract and Refractive Surgery (ASCRS).
